

COPYRIGHT PERMISSION FROM WYDOT TO THE UNIVERSITY OF WYOMING FOR THE
RESEARCH PROJECT, *REVEGETATION SUCCESS AND WEED RESILIENCE OF WYOMING
RIGHT OF WAY RECLAMATION, RS02218*

The State of Wyoming and WYDOT reserve a royalty-free, nonexclusive, unlimited, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use the copyright in any work that is generated from the research project entitled *Revegetation Success and Weed Resilience of Wyoming Right of Way Reclamation, RS02218*, and which is governed by the contract dated November 13, 2017, between WYDOT and the University of Wyoming. WYDOT, as a copyright holder in the subject matter, figures, tables, equations, photos, and other supplemental material, which includes but is not limited to data sets, audio-visual interviews and footage, text, charts, figures, illustrations, photographs, computer graphics, and film footage, hereby grants permission to Kristina Hufford, Associate Professor to use the copyrighted materials in outside journal publications as long as the material is properly cited. This permission extends to any graduate student who assisted Kristina Hufford in the above-mentioned research project.

Prior to the publication of any data or other material derived from the above-mentioned research report, Kristina Hufford shall insure that the subject matter, and all figures, tables, equations, photos, and other supplemental materials are cite as work in progress, if the work has not yet been published by WYDOT, or in a manner that meets the requirement of the outside journal for references, if the final report has been published WYDOT.

To the extent that any right now or in the future existing under copyright is not specifically granted by the terms of this Agreement, WYDOT shall retain those rights. The omitted rights shall be brought to the attention of WYDOT as soon as possible.
