

SPONSORSHIP OPPORTUNITIES

FOR THE

2022 ANNUAL CUTC AWARDS CEREMONY

Saturday, January 8, 2022 | VIRTUAL CEREMONY

Support outstanding transportation students from across the United States with a financial contribution to the 2022 Council of University Transportation Centers (CUTC) Awards Banquet. The event will celebrate the achievements of over 40 Students of the Year as well as professionals that have dedicated their time and expertise to expanding transportation research, education and training.

Similar to last year the banquet will be a virtual affair. It will be held on Saturday, January 8, 2022 from 6 pm to 8 pm Eastern Standard Time. Your financial support allows us to develop a high-quality, professional event that will truly honor the achievements of the award recipients. As in previous years, information about our sponsors will be featured in our program, on the CUTC website, and throughout the evening.

Due to decreased event costs for this year (no physical banquet), sponsorships have been lowered to better reflect our actual expenses.

Award naming opportunities are available. If you have interest in sponsoring an award please contact CUTC Treasurer P.S. Sriraj at Sriraj@uic.edu for more information.
