UPDATES / RECOMMENDATIONS

- Challenge when reviewers fail to complete assignment
 - New processes implemented in 2023 to reduce non-response – calendar reminders, shorter timeline for reviews, discounted banquet ticket (used by 4)
- Increase in the number of nominations from 2022 but not back to highest levels
 - No nominations for Parker S&T (ongoing challenge)
- Encourage all CUTC members to promote student award program
- Please volunteer as a reviewer (Sue McNeil, smcneil@udel.edu)
