Closing Out Your Projects

- **Mark** RIP record as completed
- **Submit** final report and datasets to TRID at <https://trid.trb.org> or tris-trb@nas.edu
 - Include note on final report that it is sponsored by the USDOT UTC program.
 - Make sure that link to final report is permanent
- **Search** TRID to ensure that report has been entered (3-4 weeks)
- **Wait** 6 months **AFTER** research is complete
- **Delete** record from RIP

Closing Out Your Center

No final report?

- Make note in supplemental field of RIP record and keep record in RIP.

Embargoed report?

- Submit report with note that it's embargoed and the date embargo will be lifted.
- Keep record in RIP until report is published and record is in TRID

Last step:

- Contact tris-trb@nas.edu to close your account
- Let us know if a record will need action after your center closes

Coming Soon!
